

**BARRE DAILY TIMES**

Published Every Weekday Afternoon.  
 (Subscription: One Year, \$1; One Month, 25 cts;  
 Single Copy, 1 cent.)  
 Frank E. Langley, Publisher.

THURSDAY, JULY 5, 1906.

For the "morning after" the conditions were much better than usual.

The outdoor celebrations had a wet time of it for the greater part of the day.

A universal of the children's day exercises for the Congregational Sunday school will be held Friday afternoon at 2 o'clock sharp at the church. Every one that has a part should be there. The marching exercises will be taken up.

**A SATISFACTORY CELEBRATION.**

Without special preparation, Barre had a "safe and sane" celebration of Independence day, toward which the weather contributed perhaps as much influence as anything. There was, of course, the time-honored parade of the "small boys," but the celebrators need much more caution in their fun this year. They were especially careful also to prevent the destruction of property, and few cases of wanton destruction have been reported. The freedom from fire of any sort is also a matter for congratulation. That the city should have passed a day and two nights of celebration without a single call to the fire department is remarkable, considering the quantity of fireworks and fire

**BARRE MAN NAMED FOR VERMONT GOVERNOR**

Dr. Lester W. Hanson Nominated by Prohibition Party of Vermont—Condemns License Law.

A Barre man, Dr. Lester W. Hanson, was yesterday nominated by the Prohibition party of Vermont, at its convention in Burlington, for governor of the state. He was named without opposition. The complete slate is as follows:

For governor—Lester W. Hanson of Barre.  
 For lieutenant governor—Harmon S. Edmond of Shelburne.  
 For secretary of state—Alfred G. Austin of Georgia.  
 For state treasurer—M. L. Barlow of Vergennes.  
 For state auditor—Fred L. Page of Barre.  
 For attorney general—A. O. Ferguson of Burlington.

The platform of the party includes the following on the liquor question.

We view with alarm the disposition of Christian men to still sustain a party that having seen the accomplishment of the thing that ended its late existence has so eagerly to commercial greed and the spirit of office as to jeopardize the state's best interests. We deem it our duty to demand the sacred regard of our people for the constitution and declaration of independence and to arouse our glorious flag in a cloudy eagerness as to what it stands for, the real meaning of which shall depend on the shifting necessities of the party in power.

The experience of our state under the prohibitory law demonstrated the need of a party whose chief issue should be not only its maintenance as a statute, but its enforcement as well. And the Republican party in its entire relation to this great evil has proved that its only real issue is that of power and spoil. Its readiness to surrender to the claims of the liquor traffic has given rise to the prohibition party and its surrender to corporate greed and unfair distribution of the rewards of toil is giving rise to the Socialist party.

The onset of western immigration having generally ceased, we realize that the scrutiny of home seekers, laborers and capital will be more accurately be based upon our own fair state in search of the opportunities of life. We therefore favor the wise encouragement of communication and the means of transportation, the development of mining and manufacturing with their attendant home markets for our agricultural products and also the embodying

**DEATH OF H. F. SMITH**

Widely Known Land Surveyor at Waterbury Victim of Heart Disease.

Waterbury, July 5.—H. F. Smith, a well known surveyor, and a man of unusual abilities, died early yesterday morning at his home in this town, aged 70 years, the cause of his death being heart disease. Mr. Smith had been in good health and continued in the business up to the very last. Tuesday he was engaged all day surveying, and did not feel ill until after his return home. During the night he was taken suddenly, but before his physician could reach the house Mr. Smith was dead.

Mr. Smith is survived by his wife and was the father of six children, all of whom survive him: Mrs. E. A. Sahley of Concord, N. H., A. H. Smith of this place, Mrs. Milla Carrigan of Johnson, Vt., Mrs. Angus Gale of Shelburne, Vt., F. Smith of this place, and Miss Francis Smith of this place. Mr. and Mrs. Smith had been married for 49 years and had six children, fourteen grandchildren and three great grandchildren. This is the first death that has occurred in the family since their marriage.

Mr. Smith was widely recognized as a man of sterling character and great ability. In early life all the education he received was in the local district schools, but he made the most of every opportunity and was to a large extent

self-educated. During the past 36 years he has been engaged in civil engineering work and has been so successful that he was admitted to be one of the best engineers in this section. He was recognized as an authority on landmarks, boundaries and lines, and on the matter of woodlot he was such an expert judge that during the late land-bidding he was consulted by men from all over the country.

Mr. Smith was prominent in all good works; he was an active member of the Baptist society and superintendent of the Waterbury River Sunday school. The funeral services will be held on Friday at one o'clock p. m., from his late home, and burial will be at Waterbury Center.
